Laboratory Manager

* The laboratory is not responsible for the collection and transport of the sample.

*** The laboratory gives measurement uncertainty when it is relevant to the validity of the analyses result or for compliance with the specified limit values and at the Client's request (expanded uncertainty 95% and coverage factor $k = 2$).
The report may not be reproduced or distributed, in part, without the prior written permission. The obtained result applies only to the tested (received) samples.
The Client has the right to submit complaints within 14 days from the date of receipt of the Report.
