**PERCENTAGE COMPOSITION**

PERCENTAGE COMPOSITION*	
Serving per container: 1 gr./1000 gr.	
CBD	> 99.8% <sup>(1)</sup>

<sup>(1)</sup> CBD content at laboratory certificate of analysis may slightly differ from the actual content of CBD in the product. This may be due to the analysis method used by each laboratory.

**HANDLING AND STORAGE**

Keep MJ Pure CBD Crystal in a cool place and a dark place (no direct sunlight) and out of the reach of children.

**PLACE OF FABRICATION**

**MJ Hemp Extract®:** comes from our own outdoor cultivation located in Switzerland. Our cultivation is one of the most modern and environmentally friendly plantations in Switzerland.

For the extraction process of the MJ Hemp Extract® from the stem and leaves of our Cannabis Sativa L. plants we apply a gentle low-temperature ethanol extraction with subsequent vacuum distillation.

We use **ALCOSUISSE AG** ethanol for the extraction process.

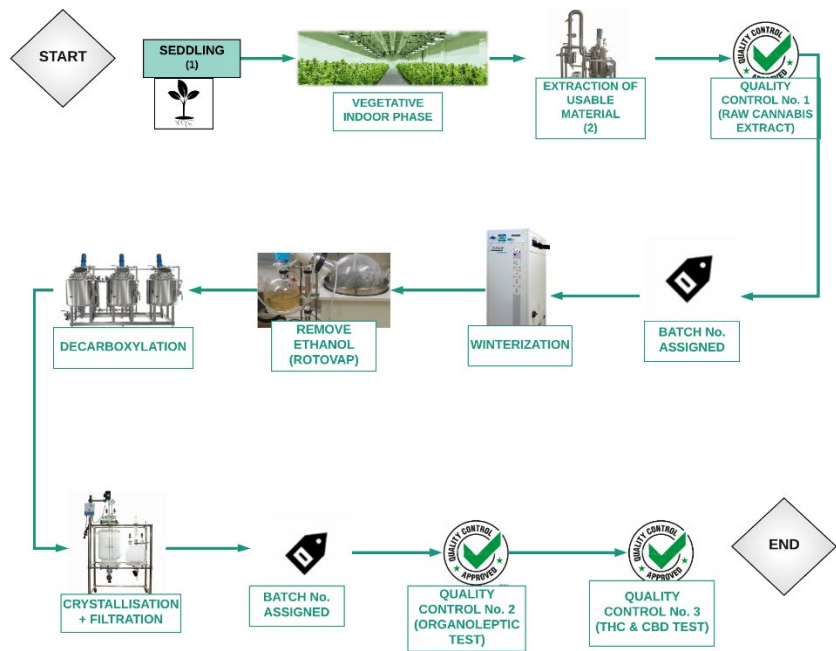

The whole process is made directly in our company using strict quality, safety and hygiene regulations.

Geographical source of medicinal plant:

Production site: Switzerland, Lüsselmattweg 3, 4222 Zwingen;

Plantation site: Switzerland, Wahlenstrasse 30, 4227 Büsserach.

## WORK FLOW OF MANUFACTURING PROCESS
